Aplica extends en Sass

Clase 4

The word "Sass" is written in a vibrant pink, cursive script font. The letters are thick and fluid, with the 'S' having a large, sweeping loop at the top. The text is set against a dark, almost black, background, which makes the pink color stand out prominently.

Extends en Sass

Herencia de Estilos:

- Comparte estilos entre selectores.
- Evita duplicación y mantiene la coherencia.

Ejemplo:

```
// Extend
.boton-comun {
  background-color: #3498db;
  color: #fff;
  padding: 10px;
}

// Uso del Extend
.boton-principal {
  @extend .boton-comun;
}

.boton-secundario {
  @extend .boton-comun;
  background-color: #e74c3c;
}
```

Sass
